

**Application for Travel Funds to Attend the Second Hemiptera-Plant Interactions Symposium
Riverside, California, June 22-25, 2014**

Travel grants are available to help defray travel costs to the symposium for participants giving oral or poster presentations. While travel grants will primarily support graduate students, postdoctoral fellows and early career investigators, other more senior investigators in need of support will also be considered. The HPIS Symposium travel grants are supported by grants from the USDA and BARD; all US and international participants are eligible to apply.

Travel Grant Application Deadline: April 1, 2014

Instructions:

- Fill out this form
- Assemble a brief CV
- Email form and CV to: gregory.walker@ucr.edu

Travel Grant Notifications:

- All applicants will receive acknowledgement by email that their application has been received. If you do not receive an acknowledgement, please contact Greg Walker (gregory.walker@ucr.edu) to verify that your application has been received.
- Travel grant decisions will be finalized by April 21, 2014. All travel grant applicants will be notified by email of the outcome of their applications.

HPIS Abstract verification #:

Abstract was submitted to the following Symposium session:

- Phloem and Xylem Physiology and Vascular Sap-Feeding Hemipterans
- Interactions Between Plants and Non-Vascular-Feeding Hemipterans
- Transmission of Plant Pathogens by Hemipteran Vectors
- Molecular Biology of Hemipteran-Plant Interactions
- Interactions Among Hemipterans, Their Symbionts and Host Plants
